

Homework 2

This homework is worth 100 points.

Please complete the following assignments:

- Practice program 2, p. 130 (10 points)
- Programming project 1, p. 131 (30 points)
- Programming project 2, p. 131 (30 points)
- Programming project 8, p. 133 (30 points)

When you are done, please submit only the *.class files via Sakai. No credit will be given for submitting *.java files! There should be a total of four java classes (one for each assignment).

Good luck!
